▶ **This week’s ESI-APPRAISE focus:** Outsourcing to ESI

Some find it easier to outsource valuation to us rather than using APPRAISE online. Some of the reasons include: it’s easier to send a statement than doing it yourself and having another set of eyes look at the work.

▶ **How can I submit valuations to ESI?** [Outsource](#), [Software](#), [SaaS \(Cloud Computing\)](#), [ESIDirect](#)

▶ **What is ESIDirect?** ESIDirect is a collaboration of OTEA (OneSource Trust & Estate Administration) and ESI (Evaluation Services Inc.). It is the most technically advanced and efficient way to generate securities valuations for and integrate them into your FPS 706 or Accounting. Just click to www.esi-direct.com
